Three Top Draft Consignments

from

THREE LONG ESTABLISHED WELL KNOWN HERDS

featuring

HONEST PROVEN PRODUCING CATTLE

blended with

THE MOST POPULARLY ACCEPTED

MODERN CATTLE OF TODAY

Glenn Struve, Manning, Iowa—

Consigns 4 **BULLS**, 21 **COWS WITH CALVES** at foot and rebred, and 11 **BRED COWS AND HEIFERS**. This offering comes from the sound foundation stock that for many years has consistently produced winners at leading major shows and tops in the strongest sales. In addition to this, the get and service of the very popular and many times champion and **ALL-AMERICAN POLLED BULL**, 7 **M CORONET LEADER x** is featured. Also the service of the popular **JUNIOR POLLED HERD SIRE**, **FAIR ACRES GOLDFINDER x** is featured. Certainly this is a most attractive offering for everyone of both Horned and Polled breeding.

Johnson Bros., Atlantic, Iowa—

Consign 2 **BULLS**, 13 **COWS WITH CALVES** at foot and rebred, 3 **BRED HEIFERS** and 5 **OPEN HEIFERS**. Their offering comes from a cow herd that has consistently produced cattle that have been champions and tops in many leading sales and have done exceptionally well for others. In addition to this solid background they feature the get and service of the great **ALL AMERICAN POLLED BULL**, 7 **M CORONET LEADER x** which is owned jointly with Glen Struve. They also feature the get and service of the truly modern **POLLED BULL**, **FAIR ACRES TORNADO 2nd x**, junior champion of the 1970 Iowa State Fair and a sale top. Of both Horned and Polled breeding, this is an attractive offering for the most critical.

Glen Haven Shorthorns, Manning, Iowa

Consign 2 **BULLS**, 6 **COWS WITH CALVES** at foot and rebred, 3 **BRED HEIFERS** and 1 **OPEN HEIFER**. This offering comes from a foundation herd that has been established with the utmost care and good judgment. It has produced bulls and females that have been champions and tops at strong leading sales. Very few females have been offered for sale before. This offering features the get and service of the **NOTED SIRE**, **SCOTSDALE TORQUIL**, who sired an **ALL-AMERICAN** and several ton bulls in Canada. He is sired by the noted 2300 lb. Royal Winter Fair Supreme Champion, Scotsdale Navarre. Also featured is the get and service of the **BIG, MODERN ROTHNEY DENNY** by the noted Scotsdale Trooper. This is an offering of the most potent horned breeding today.

A Note From Sale Manager—

Good, sound, honest working Shorthorns being offered by good, sound, honest working cattlemen is the most appropriate way to describe this sale offering even though the long time reputation of these breeders and their herds is well known.

Even so, these three establishments prefer not to stand on past reputation alone. They are as progressive as any group of breeders you will find. As you study the catalog, read the pedigrees and footnotes, you will note that they have been ever on the alert to introduce new blood and top individuals of the most popular, approved bloodlines and modern characteristics into their herds. They have introduced the very best Polled and Horned herd bulls that they could find as their show and breeding records prove.

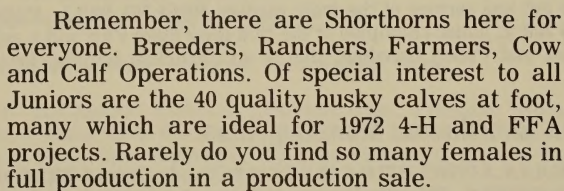

These three good herds all located in close proximity in Western Iowa are a natural to hold a good sale of proven Shorthorns.

These are cattle that are bred, raised and developed under natural farm conditions. They will go out and do what is expected of them for others.

This sale offers a wide range of selection for everyone. To make the sale attractive they are selling many of their best productions which they would have liked to keep only because they value the confidence of their customers, both old and new, very highly. Here is a real opportunity to start or expand in the beef cattle business.

Take advantage of this opportunity and be at Carroll on Friday, November 26 to help yourself.

ALBERT J. HAMANN, Sale Manager.

Remember, there are Shorthorns here for everyone. Breeders, Ranchers, Farmers, Cow and Calf Operations. Of special interest to all Juniors are the 40 quality husky calves at foot, many which are ideal for 1972 4-H and FFA projects. Rarely do you find so many females in full production in a production sale.

ATTENTION ALL JUNIOR 4-H AND FFA MEMBERS

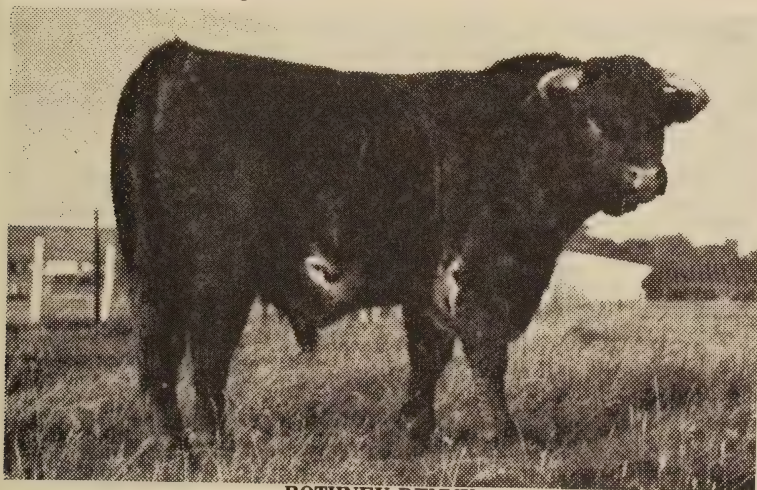

REMEMBER Friday, November 26 is a school holiday.

This is a good day to attend a good sale and select top calves from good herds for your 1972 projects.

SCOTSDALE TORQUIL

This good, big, prominent bull made a great record in the W. J. Boake herd in Alberta, Canada before coming to Glen Haven Shorthorns as senior herd sire. He consistently sired big ton bulls among them the All-American Alta Cedar Torquil 3rd now heading the Dick Braman herd in Michigan, and Alta Cedar Torquil 27th now heading the Ray Englehorn & Sons herd at Olivet, S. D. Scotsdale Torquil is sired by the noted Royal Winter Fair Supreme Champion, Scotsdale Navarre who matured at 2300 lbs. His dam was sired by Rothney Juggler, another Royal Winter Fair champion. Scotsdale Torquil is the sire of 1 bull, 4 females and 4 calves at foot in the Glen Haven consignment.

ROTHNEY DENNY

The tremendously big, rugged, growthy junior herd sire in the Glen Haven herd is by the noted sire Scotsdale Trooper who was by the 2300 lb. Scotsdale Navarre. His dam was by the \$30,000 Bapton Cairnbrogie who was a full brother to Bapton Constructor. The dam was also a maternal sister to the Calgary champion Rothney Justinian. Rothney Denny is the sire of 2 calves at foot and service sire of 6 females in the Glen Haven consignment.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals cataloged have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
